### ABSTRACT

This research discussed about the type of speech acts in conversation among the members of UKM KSR PMI Unit in Universitas Lampung, Indonesia. This research also described and classified the form of speech in conversation among those members. The present author examined these cases because they often interacted in various speech interactions.

The method that used in this research is a qualitative method. Further, the data sources are taken from a conversation among the members of UKM KSR PMI Unit in Universitas Lampung, Indonesia. In addition, they were from different faculties and departments. The data in this research were all speeches that contain Implicatures, and then they would be classified based on direct and indirect as well as literal and non-literal.

Finally, regarding to the problem statement discussed, the present author found direct non-literal speech act, indirect literal speech act, and indirect non-literal speech act in those conversation.

**KEY WORDS-** Implicature, direct and indirect speech act, literal and non-literal speech act.

### INTRODUCTION

Language is a tool for communication among people. Language has varies functions. One of Language functions is pragmatic function. Pragmatic function consists of the use of narrative language and the use of active languages. This pragmatic function more emphasis on the function of language to communicate in daily life in general. Conveying the purpose to speech partners, a speaker must be able to select and use the appropriate language. The proper selection variety of language takes an important role in communication. In order to make an effective and politeness speech in communication process, usually we use the speech act that contains the meaning implied or even implicature. In applying implicature we can utilize a variety of speech acts in order to make an interesting conversation and message to be easily understood for the speech partners. This

conversation can happen anywhere, for example at campus, school, home, and in other places.

UKM KSR PMI Unit Unila stands for Unit Kegiatan Mahasiswa Korp Sukarela Palang Merah Indonesia Unit Unila (Unit of Student's Activity of Corps Voluntary Indonesian Red Cross, Universitas Lampung) is a university-level organization engaged in humanitarian field. The existence of activities such as discussion, technical meeting and evaluation meeting, because this unit is some kind of organization which has a function to develop the language skill of students at the University of Lampung. In this UKM, there are terms of generations which show some differences. Such as age, position, year in college and of course experience. Until now there are 23rd generation. This unit organizes many activities which makes a greater frequency of the members attendance that often occurs language interactions. When there is
